

CHANGE NEEDS

IN THESE TIMES OF UNCERTAINTY, companies need expertise and experience when thinking about restructuring and change. With more than 100 years of industry experience in outplacement and change management, PeopleNet's senior team provides Best Practice in managing large-scale restructures.

PeopleNet emphasises risk management and focuses on achieving results for both the business and its employees, ensuring that blue-chip clients maintain brand protection as they restructure or downsize.

Operating in Australia and New Zealand, PeopleNet works across all industries, including pharmaceutical, finance, FMCG and manufacturing, providing practical human resources and management consulting solutions.

For more about how PeopleNet can assist you, call (02) 9240 6652;
